"Families Serving Families Since 1931"

April 9, 2020

Dear Community,

I hope you and your family are safe during this pandemic. I want you to know that Wells Funeral Services is here for you in these times and our doors are still opened. The new norm has changed a lot in the ways that we operate and mingle. On that note, I want to highlight the steps that we will do in case you have a need, that are within the guidelines of the County Judge and CDC.

You will have several options: immediate burial, viewing before burial, viewing with cremation or direct cremation. During this pandemic period, we will not conduct funerals at a church or our chapel. We will allow a public viewing of no more than two hours, limited to one person at a time, practicing social distancing. We will have a register book online for condolences and sympathies. After the viewing, we will proceed to the cemetery with only the immediate family. At the cemetery, we will include the minister, who would provide a short, brief committal. We will meet the minister at the cemetery. You will not need pallbearers. The funeral staff will remove the casket from the hearse and place it on the lowering device. Family members will remain in their vehicles until the casket is on the lowering device. When family members come to the grave, will use social distancing, each member spaced at least 6 feet apart. Minister will conduct the ceremony. Afterwards, family will go back to their vehicles. Minister will leave and funeral staff will remain for grave closing. Family members will be requested to leave the cemetery and not linger.

We would still like this time to be a memorable occasion for the family and a dignified burial for your loved one. We will go extra lengths to protect you and others.

If you have questions or need additional information, please feel free to call us (936) 336-3831. Our prayer is that you stay safe and healthy – we will all come out of this together. We are here for you. If you have a need, do not hesitate to call us – we will be honored. You will only receive the highest quality service, affordable, and with the utmost dignity.

During this period as part of giving back, we will be offering a special discount on a viewing with a cremation or burial. May God bless you and your family and keep our community safe.

Sincere Kindness,

A handwritten signature in blue ink, appearing to read "Mark Gibson", is written over the text "Sincere Kindness,".
