

## Press Release

**LIBERTY, TEXAS (MARCH 24, 2016)** – Beginning April 1, 2016 Trees, Inc. and Dig Tech, Inc. – Contractors hired by the City of Liberty - will be working on projects in the Regency Place and Travis Park Subdivisions.

### **How will this affect the public?**

Trees, Inc. will be trimming trees around the Electrical Transformers and Right of Ways and will have vehicles and equipment in the area. Dig Tech, Inc. will be working on the underground electrical lines in the area and will have vehicles and equipment in the area. No road closures are expected and temporary traffic control devices may be used to maintain roadway safety. Be aware that contractor personnel will be in back yards and/or alleyways while work is in progress, but will not be inside of homes.

If you should have any questions or concerns, please contact the City of Liberty at 936-336-3684
