

FOR FRANK!

06-23-18

2 PM -9 PM

Sgt. Frank Longoria, currently with Liberty P.D., has been serving our community for over two decades. Frank is now suffering from some health issues that prevent his return to your service and now he need some help from us. This event will be a fun filled day for everyone. If you are unable to attend or participate in either the cook off or the jeep event we will still need auction items. We hope to see you there.
